

MICROCON SMD B2B

Board-to-board connector

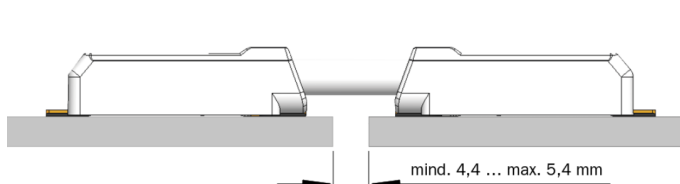

- Suitable for MICROCON SMD connectors
- Easily detachable with MICROCON SMD release pin

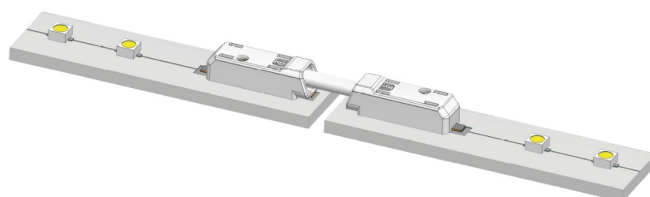

MICROCON SMD B2B

		IEC Ratings
Nominal voltage		600 V
Nominal current		6 A
Protection class		IP 00
Material	Terminal housing	PA 66 white
	Contact pin	Tinned copper

Minimum distance

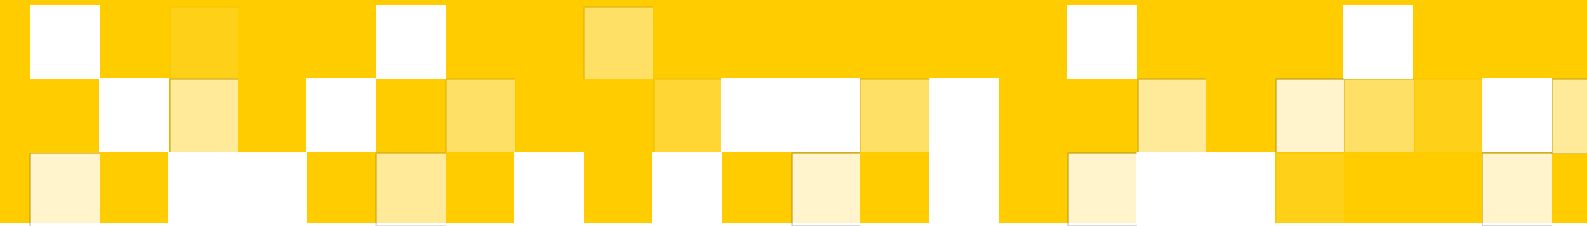

Application example

Art. number	Type	Packing / pcs	Weight (pcs./ g)
88168242	MICROCON SMD B2B	1500	0.2

Explanation

Approvals

MICROCON SMD B2B PA	Suitable for MICROCON SMD Board-to-board connector Polyamide
