

# LBK 1 ST

Plug in for LBK 1 system | 3-, 4- and  
5-pole version with / without fixing  
pin, with / without earth tag

# LBK 1 ST

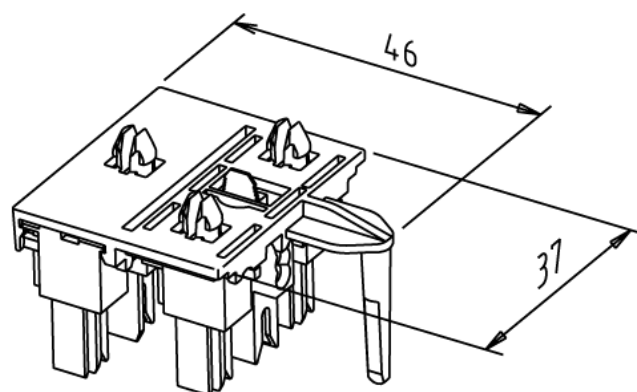

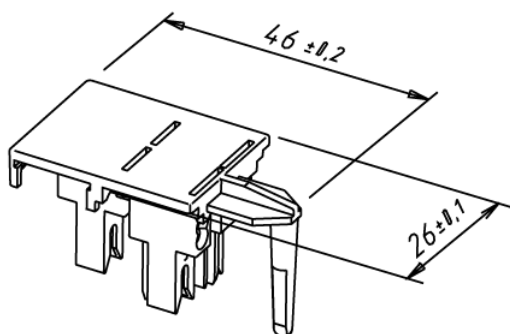

## Variants

LBK 1/5 3ST

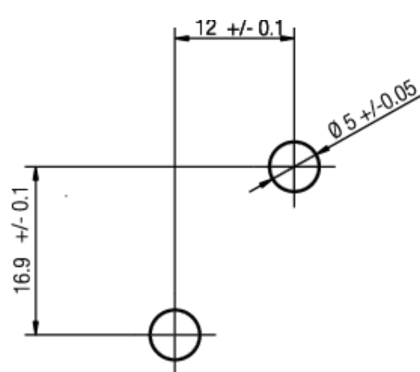

LBK 1/7 5ST

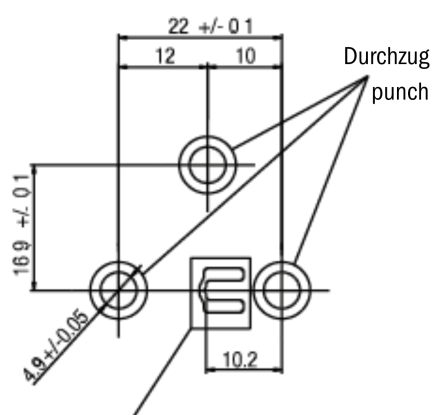

## IEC Ratings

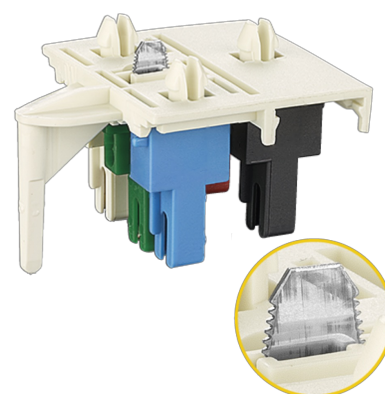

|                               |                                             |
|-------------------------------|---------------------------------------------|
| Nominal voltage               | 400 V                                       |
| Nominal current               | 10 A                                        |
| Clamping range                | 3x 0.5 <sup>2</sup> -1mm <sup>2</sup> solid |
| Wire stripping length         | 8 -9mm                                      |
| Upper limit temperature (ULT) | 105 °C                                      |
| Lower limit temperature (LLT) | -20 °C                                      |
| Material                      | Terminal housing: PA 66                     |
|                               | Contact parts: Tinned bronze                |

LBK 1/5 ST | Plate thickness: 0.4 mm

LBK 1/7 ST E-PIEC | Plate thickness: 0.4 mm

Push-in earth contact (without VDE)
