Information about the discontinuation of our product group SNAPBO

Dear business partner,

At Electro Terminal, we are constantly striving to deliver an innovative product portfolio that meets the needs of our customers. That is why we regularly update our product portfolio.

We are hereby informing you that we will discontinue the following product as of **June 1, 2026** and will no longer produce it from that date:

88476700 SNAPBO 1

Please note the detailed timetable for the phase-out process:
Last orders can be placed until May 31, 2026.

We will deliver products until our raw material stock is used up. Depending on the order situation, this may be the case before May 31, 2026. Therefore, we cannot guarantee that all orders can be fulfilled. In this case, you will be informed as part of the order processing.

Should you require any further information, please do not hesitate to contact us:
