Notification on discontinued certificates EKL S / Connector strips in polypropylene

Dear business partner,

We constantly strive to deliver an innovative product portfolio that meets our customers' needs. Therefore, it is sometimes necessary to revise and adjust our product portfolio.

With reference to our letter of May 29, 2017, the following certificates for our EKL 0 – 3 S polypropylene products are discontinued with immediate effect:

Certificate	Country	Discontinued approval
SEMKO	Sweden	
NEMKO	Norway	
DEMKO	Denmark	
FIMKO	Finland	
ESTI	Switzerland	
EZU	Czech Republic	
BBJ-SEP	Poland	

Electro Terminal GmbH & Co KG

Legal form of
Company: GmbH & Co KG
Registered Company: Innsbruck
Registered Office: FN 231479k
VAT-No.: ATU 56551948

In order to guarantee that all technical (EN) standards are met, we collaborate with our partners OEVE, VDE, AENOR, KEMA KEUR, CEBEC and LCIE.

As of now, we will exclusively have OEVE, VDE, AENOR, KEMA KEUR, CEBEC and LCIE approvals for our EKL 0 - 3 S products in polypropylene. This certifies that EN standards are met and avoids double testing.

This modification affects the following product families: EKL 0 S | 1 S | 2 S | 3 S

Example: EKL S

Approvals:

If you wish to receive any further information, please do not hesitate to contact us on office@electroterminal.com

Best wishes for "Better Connections",

A handwritten signature in blue ink that reads "Nauth".
