## Notification on product launch & phase-out NEW FD 10 S / FD 7 M / FD 12 L

Dear business partner,

As a specialist for connection technology we work hard to constantly improve our products. We are pleased to present our new damp-proof junction boxes.

All advantages of the new FD 10 S / FD 7 M / FD 12 L at a glance:

- Condensed water openings according to EN 60670
- Protection class IP 55
- Halogen-free

Due to the launch of this new product the previous junction boxes will be phased out.

Please send us any last orders for the old models by September 29, 2017.

OLD junction box	Art. no.	NEW junction box	Art. no.
