Notification of product modification FKL 1

Dear business partner,

We constantly strive to provide you with the highest possible product quality. Every once in a while, this requires changes and adaptations.

Please note the following change for our FKL 1 products: We have adapted the FKL 1 product ratings due to new certifications for our component. You can view the changes in the table below:

	New ratings	Invalid ratings
Nominal voltage	450 V	
Nominal current	24 A	16 A
Clamping range	2.5 mm ²	4 mm ²
Wire skinning length	13 + 1 mm	
Max. ambient temperature	T125	

Electro Terminal GmbH & Co KG

The changes are valid with immediate effect. However, we will be shipping out the remaining stock on hand of the previous models. This concerns the following products:

FKL 1/2G Z1 L1-N	88505901
FKL 1/2G Z1 O.GRAV	88168243
FKL 1/3G Z12 O.GRAV	88160928
FKL 1/5G Z1234 L1-L2-L3-N-ERDE	88160929
FKL 1/5G Z1234 L1-L2-L3-N-ERDE	88168223

If you wish any further information on new products, please do not hesitate to contact us on valentina.nauth@electroterminal.com

Best wishes for „better connections“,

Valentina Nauth
Product Manager
