Information on the streamlining of our product portfolio. The SLK 5 series will be replaced by the SLK X series.

Dear business partner,

Electro Terminal constantly strives to deliver an innovative product portfolio that meets our customer's needs. Therefore, we adjust our product portfolio on a regular basis.

We herewith inform you that we will discontinue the following products as of **December 31, 2025** and will no longer produce them from that date:

SLK 5

Please see the detailed timeline of the phase-out process below:

Deadline for placement of last orders: August 31, 2025

From January 1, 2025 onwards, we produce on order basis only, no forecasts and delivery schedules will be accepted.

We will deliver products until our raw material stock is used up. Depending on the order situation, this may be the case before the end of 2025. Therefore, we cannot guarantee that all orders can be fulfilled. In this case, you will be informed as part of the order processing.
