## Notification of product phase-out Push-in earth and push-in earth manual

Dear business partner,

Electro Terminal constantly strive to deliver an innovative product portfolio that meets our customers' needs. Therefore, we adjust our product portfolio on a regular basis.

We herewith inform you that we will discontinue our earthing tags plug-in earth and plug-in earth manual for SLK 3. Please see the detailed timeline of the phase-out process below:

Deadline for placement of last orders: 30 September 2021

From 30 September 2021 onwards, we produce on order basis only, no forecasts will be accepted.

In case that additional raw material sourcing is required for the production of last orders we will contact you to align last order quantities and raw material amount.

The last order quantities will be produced and delivered until 30 November 2021. After this date the production of the push-in earth and push-in earth manual for SLK 3 will be finally stopped.
